Option 1 12 Month One on One Contract.

Please explain that this is a 12 month contract with no option of cancellation once they receive their first coaching call.

Option 2 90 Day Addendum

This Addendum must be completed and attached to the contract at time of signing. It allows an agent a window of opportunity to cancel after 90 days in the program. Should they choose not to cancel at the end of 90 days, the contract will remain in force for the balance of the contract (an additional 9 months).
